CHOOSING THE BEST SIZE

To measure your clothing size, please follow these simple instructions:

CHEST

Run a flexible fabric tape measure around your chest, just below your armpits. Be sure to keep the tape measure horizontal for an exact measurement.

WAIST

Wrap the tape measure around the narrowest part of your waist. Be sure to keep the tape measure horizontal for an exact measurement.

IMPORTANT INFORMATION

All sizes listed on the size guides, are the physical size of the garment, NOT the wearer.

Once you have your actual chest size, please add 3-4 inches for inner garments, and 4-6 inches for outer garments. This will compensate for any additional clothing worn underneath.

All garments are subject to a 1inch tolerance and may slightly differ from that shown on the aforementioned size guides.

PLEASE NOTE

It is the customers responsibility to select the correct size, so please be as attentive as possible.
